

### Handout 1 – Chart Analysis

## 2010 Chinese Census Data

## Warm Up: Chart Analysis

<b>What is the source of the data?</b>	
<b>What is being measured?</b>	
<b>What initial observations do you have?</b>	
<b>What questions do you have?</b>	
<b>Evidence of Change Over Time (How have things changed?)</b>	<b>Evidence of Continuity Over Time (How have things stayed the same?)</b>
